# Kelly's Korner

September is going to be a busy month. Make sure to check the calendar. Especially plan to be at our cook-out at the Chatterton's at the end of the month. It will be a good time to socialize and have fun. We will also share and celebrate some big financial news at this event. Invite a friend or two and let's have a great time.

In September, we will have a three-week sermon series on Jesus' Sermon on the Mount from the fifth chapter of Matthew's gospel. The title of the series is *Be Blessed*. This particular sermon of Jesus is only written down in Matthew. We will be looking at three particular parts of the sermon and seeing how they pertain to our particular situation today. How can we be blessed? How can we bless God and others? Hopefully, we'll find an answer or two.

During our worship service on September 11, we will remember 9/11. This is the fifteenth anniversary of a very difficult time in our country's life. We will share prayers and thoughts. We will hope for a better future. We will focus on the promises of God to be with us in all moments of our lives. I hope you can join us for this special worship service.

Looking ahead a bit, October will be active. Fall Festival is October 14-15. Thanks in advance for your volunteer help with this all-church event. And the Regional Assembly of the Christian Church in Illinois/Wisconsin is the next weekend, October 21-22. I will be installed as the Regional Moderator as well as preaching the closing worship on Saturday afternoon. More importantly, there will be great workshops, discussions about Mission First and Reverend A. Denise Bell will lead in worship. More information can be found on page 3 of this newsletter. Hope you can attend.

As summer ends and fall begins, may we put our hope and faith in the ever-present God who is with us during all the transitions of our lives. See you soon!

Peace,

## CHILDREN'S MINISTRY

Tad Goldner

And just like that, summer's over and it's back to school for everyone! With our lock-in to close out the summer, we're looking forward to a good start to the school year.

Looking back on the summer, we've had a pretty fun-filled time. With all of our Summer Fun Days, we had a blast getting to know kids from the community and having a little fun, whether it was swimming at a pool party or competing in the Olympics. Camp Out at Pilgrim Park found us growing closer in our faith and closer to each other over the week-long experience. To close it all out, the lock-in was a fantastic way to have a little fun and to gear up for everything we have in store this year. Hopefully we can carry some of the fun and goodness of the summer into our fall time.

We get back into the swing of things with our first youth group on September 11<sup>th</sup>. We'll be getting to know each other and exploring some back-to-school related things. Our next youth group meeting is on September 18<sup>th</sup>, and the topic for the night is "Liar, Liar." We end the month with a cookout at the Chatterton's. Getting back into all of this, remember that we are combining our junior high and high school groups, so everyone is welcome (friends included!). Overall, I'm looking forward to a meaningful start to our youth group year!

## OUTREACH AND ACTION

**Jan Rockwell**

### **Soup "n" More**

Around 25 FCC members and friends helped cook, serve & clean up for Soup 'n' More July 31. Around 135 people were fed taco salad with various toppings, watermelon and iced brownies. Kathie Whitson, the event organizer, applauded the helpers working as "a well-oiled machine." She appreciated the record time clean-up was completed as well as the refreshing, delicious meal. FCC made a friendly presence felt in the kitchen, dining area, and food pantry donations. Thanks for all the great help! We look forward to doing this again next July.

### **Summer Meals for Youth**

FCC Christian Action & Outreach assisted in serving lunch to around 35 people the week of August 8 through 12. The program is sponsored by Genesis Garden, 1<sup>st</sup> Presbyterian, Big Brothers & Big Sisters, Soup 'N More, United Way, the YMCA, and the Health Dept. It is financed by the US Dept. of Agriculture and administered by the Illinois State Board of Education. Meals are available to children 18 and under and are free .

Several of our church members helped with the Community Summer Lunch Program. From Outreach Committee, Sharon Butcher, Jan Rockwell & Leslie Trone served one week. The Meuniers served throughout the summer. The program was especially important in feeding campers all summer from the YMCA day camp as well as some community children. A BIG THANKS to all!

## **CHRISTIAN EDUCATION**

**Jonelle Schauble**

Where has the summer gone? In just a few short weeks, we'll be starting to enjoy the fall weather. Christian Education hosted a family night in August. Twenty-five people enjoyed dinner, fellowship, games and the movie *Zootopia*. Thank you Barb, Jack, Char and John for your help. We enjoyed visitors from the community.

September 25th, as you already know, will be our gathering at the Chatterton's. Christian Education will be hosting a bags tournament during the evening. Prizes will be awarded. So get your teams together and be sure to sign up starting September 4 thru September 18. There will be an obstacle course for the preschoolers too. There will be a sign-up sheet for transportation also. Both sign-up sheets will be on bulletin board outside parlor kitchen.

The donuts for fellowship time return October 9th.

Christian Education would like to share what we are working on for the remainder of the year.

- October we will be hosting the annual Trunk or Treat during fall festival.
- Perhaps a World Series celebration.
- November we will be hosting a dessert potluck and play BINGO.
- December we are planning a family New Year's Eve celebration.

We hope that you will mark your calendars for the events as they appear on the church calendars. We have lots of wonderful fellowship at these events. Don't forget to sign up for the tournament. Have a blessed September.

## **EVANGELISM**

**Anne Ingersoll**

As many of you have probably seen and heard, social media (Facebook in particular) has become a common way to connect with people. In addition, Facebook also helps spread the word about upcoming events, random acts of kindness, and yes, even God's goodness in our world! If you are a smart phone user, I would encourage you to "check-in" on Facebook during Sunday mornings before worship starts (or any time you just happen to be at church for ANY reason) when you arrive at church. It's an easy way to let others know where you are worshipping and may just spark a little interest in someone to join us on a Sunday morning! If you need help on how to do this, just ask Tim Adams, Josh Butcher, or Anne Ingersoll. This may also bring more people to our Facebook page or website to see our services and learn about our wonderful ministries we have here at FCC!

## **DISCIPLES WOMEN**

**Karen Chatterton**

Group meetings are a wonderful social and Godly experience. Choose a group-see what you think!!

There are 1,189 chapters in the Bible.

Psalms 117 is also the shortest chapter in the Bible.

Psalms 119 is the longest chapter in the Bible.

There are 31,101 verses in the Bible.

It is better to take refuge in the Lord than to trust man.

Esther 8:9 is the longest verse in the Bible. It has 78 words.

(From 365 Encouraging Verses of The Bible, Published by Barbour Publishing INC. used by permission.)

Several passages of the Bible tell us clearly that God listens to us when we pray. He hears every word and is compassionate.

Sometimes the answer to our request is “not yet.” Sometimes the answers are even a flat “no.” But when we come before the Lord and lay what is in our hearts at His feet, He always finds a way to bless us and make everything work out for the best. He does this even when we don’t get exactly what we want.

God is so much smarter than we could ever hope to be. He knows what is best for us and provides it each time. All we have to do is share our concerns with Him and wait faithfully for what He will provide.

God wants to be involved in our daily routines. He wants to hear from us and waits for us. God never promised an easy life to Christians. If we will allow Him, though, God will be there with us every step of the way. All we need to do is to come to Him in prayer. (With these three simple words from 1 Thessalonians 5:17, our lives can be fulfilling as we live to communicate with our Lord.) Never Stop Praying

**STEPHEN MINISTRY**

**Jean Vaughn**

Stephen Ministry offers an approach to caring ministry that’s holistic. It includes great insights and practices from the social sciences and mental health disciplines, but the ultimate goal is conformity to Christ. Stephen Ministry is informed by the best possible sources of wisdom, research, and knowledge, but remains Christ-shaped and Christ-defined. It brings together the best of all possible worlds in that regard.

The Christ-centered nature of Stephen Ministry is reflected in the logo. The broken person behind the cross and the whole person in front of the cross symbolize that we are all broken people and it is only through Jesus that we can be made whole. Everybody is broken, therefore, everybody needs God’s healing. The reason Stephen Ministry was started was to fill a gap in care. People needed more focused care than a friend could offer, but less than a professional would provide. Stephen Ministers are attuned to those needs and provide quality care. Stephen Ministry is capable to identify when people need professional care and then help them receive it, should that need arise.
